HISTORY

01

FIBRETEX INDIA PVT. LTD., founded by Late Shri Kanhaiya Lal Bhuwalka in 1965, is a leading manufacturer and supplier of Woodwool Insulation Boards in India.

02

With a strong vision and dedicated hard work, the company quickly became renowned for manufacturing high-quality Woodwool Insulation Boards.

03

In 1969, a new plant was established in Faridabad, Haryana, expanding the company's operations. To stay competitive in the market, Fibretex adapted by using Pine wood instead of Fur wood for manufacturing Fibrecrete.

OUR PRODUCTS

Fibretext is engaged in manufacturing multipurpose products used for Acoustical & Thermal Insulation for more than 5 decades by the brand name Fibrecrete.

Fibrecrete is used for false ceiling, wall paneling, partitions for eliminating unwanted noises and to control echo within a space & thus enhances the acoustics of a room.
